RESEARCH FELLOWSHIPS TO JAPAN

The **Canon Foundation in Europe** offers research grants to highly qualified European and Japanese researchers who obtained at least their Master's degree within the last ten years. This is the minimum requirement.

Non-nationals should have permanent citizenship in either Europe or Japan.

We welcome applications in **all** fields of research. Successful European applicants should carry out their research in Japan and Japanese must do their research in Europe.

Fellowships are awarded for minimum three months to maximum one year.

Financial support for Fellows ranges between 22,500 to 27,500 Euros per year and pro-rata for different periods.

Please visit our website for our online application form. The deadline for receiving your application is **15 September**.
