

We have the pleasure of inviting you to participate in the International Gilding Workshop to take place on Saturday, 24 March 2018, at the Department of Conservation and Restoration of Works of Art, Zamenhofova 14, Zagreb.

The workshop is organized by the Department of Conservation and Restoration of Works of Art (Academy of Fine Arts of University of Zagreb) in cooperation with the Haga metal Ltd. company from Karlovac.

The workshop leaders are Assoc. Prof. Zvezdana Jembrih and Assist. Ana Božičević.

The guest lecturer and demonstrator of the gilding techniques is Assist. Prof. Dietmar E. Feldmann from Regensburg, associate of the Kölner company from Dresden and master craftsman with more than 30 years of experience in traditional and contemporary gilding techniques applied to various surfaces.

The workshop sessions are divided into theory and practical sessions.

During the practical sessions, the workshop participants will apply the traditional and contemporary gilding techniques to the various surfaces with the emphasis on contemporary gilding techniques and materials. The workshop participants will use the *Noris Blattgoldfabrik* metal leafs from Schwabach ("City of Gilders") which are manufactured by the Haga metal Ltd. company from Karlovac. In addition, the workshop participants will have an opportunity to examine, obtain information and order gilding materials by these manufacturers at the affordable prices.
