Izložba recentnih radova studenata Akademije likovnih umjetnosti u Zagrebu, Odsjeka za animirani film i nove medije (OZAFIN ALU) u periodu nakon 2012. godine, svojevrsni je "snapshot" sadašnjeg trenutka odsjeka. Umjesto kritičke kompilacije najboljih filmova nastalih u zadnjih osamnaestak godina, predstavljaju se otkucaji srca odsjeka u neprestanoj transformaciji, EEG njegova sadašnjeg trenutka, uvid u ono što se dogodilo u zadnjih pet godina, dakle, u jednom studentskom ciklusu. Otvorenje izložbe je 5. lipnja u 12 h.

A group exhibition of recent student works from the Academy of Fine Arts Zagreb, Department of Animation and New Media (OZAFIN ALU), made after 2012, presents a snapshot of department's present moment. Instead of critical compilation of the best films made in the last 18 years, here are the heartbeats of the department in constant transformation, the EEG of its present moment; an insight into what has happened in the last five years, in one student cycle. Exhibition opening: June 5th at 12pm.
